NATIONAL SEMINAR

ON

“RECENT ADVANCES IN SOCIO-ECONOMIC DEVELOPMENT OF INDIA : ISSUES & CHALLENGES”

19th - 20th February, 2024

ORGANIZED BY:

R.S. EDUCATIONAL FOUNDATION, BALLIA

**IN ACADEMIC ASSOCIATION WITH
DEPT. OF COMMERCE, D.B. COLLEGE,
JAYNAGAR, BIHAR
IAMD, NEW DELHI**

VENUE: MOTHER'S PRIDE ACADEMY, BALLIA

ABOUT THE SEMINAR

In past few years, India has formulated a strategy for all round growth and development of its citizens at a faster pace under a mission of Sabka Saath Sabka Vikas" to achieve the goal of" Inclusive Growth and Sustainable Development" by 2022. To realize this cherished goal, the Government of India under the present dynamic leadership of the Prime Minister has launched a slew of schemes and projects to make India a Global hub of developmental activities. The Government of India has taken effective measures to bring inflation down by 2% which in turn has reduced the economic pressure on common citizen's life. The present Government is focussing on real GDP Growth which was 8.2 in FY 2015-16, declined sharply in first Quarter of FY 2017-18 to 5.7 and again exhibited a rise in second quarter and expected to grow @ 7.5 on average. The Government has catalysed growth and investment through transformational reforms such as" GST- One Nation One Tax"." Skilled India- Developed India", Control on CAD to less than 2% level etc. The policymakers have given special thrust on key. Development Sectors viz: Roads, Housing, Railways, Power and Digital Infrastructure. Several schemes like Ujjwala, Saubhagya, Bharatmala Jandhan, Sukanya Samraddhi, Beti Bachao - Beti Padhao etc have been launched to push the agenda of development at a faster pace.

The journey of India's economic and social development has been of many shades over the last seventy years of independence. The country has witnessed a lot of progress with significant pauses. The developmental process has seen many twists and turns. A major chunk of population is still deprived of the benefits of development in many parts of the country. The country is passing through a phase of many challenges and roadblocks in the accomplishment of its mission of inclusive growth and development like food inflation, rising unemployment among educated youth, poor and limited access to health services, declining productivity in farm sector, poor economic condition of rural masses, limited contribution and growth of manufacturing sector, need to increase tax net by

rationalisation of tax system & tax structure, pollution control, control on corruption and crime etc. of academicians, corporate delegates and policymakers on various economic, social, political, technological, and legal issues that hamper the pace of achievement of India's goal of all round sustainable development involving contribution of each and every citizen of the country in this holy mission. Though both the Central Government and the State Governments have taken many bold steps to improve the overall condition of education, power, technological advancement, entrepreneurial development, eradication of poverty, women empowerment, implementation of GST as Indirect Tax Reforms and Demonetisation to curb Black Money etc, yet a lot of efforts and actions are required to be taken to make India a Developed Nation by its Platinum Jubilee Year 2022. The basic objective of the National Seminar is to draw attention.

SUB THEMES

In the light of above mentioned theme, a Two Day National Seminar is being organized to discuss on following issues relating to main theme of the Seminar-

ABOUT THE RSE FOUNDATION

R.S. Educational Foundation (RSEF) was formed in the year 1980, which is now, a registered body under the Societies Registration Act, with a view to promote diffusion of knowledge about modern management to provide a common forum for exchange of ideas. Mr. S. Singh was the first President under whose guidance the deliberations of foundation were held at Head Quarter in the year 1985. During the year 1990 to year 2011, there was some intermission and in the year 2012, RSEF was reincarnated by the sincere efforts of the Social Activist, Dr. S. K Singh, who is presently working in D.B. College, Jaynagar, Bihar, India.

ABOUT THE COLLEGE

D.B. College, Jaynagar is a Constituent Unit of Lalit Narayana Mithila University, Darbhanga situated on the Indo-Nepal border was established in 1960 by **Lt. Thakur Munsi Dayal Singh**, who hails from a prestigious Rajput family of Jaynagar Market. **Babu Thakur Munshi Dayal Singh** was a man of high thinking. He established the college with the co-operation of local prominent figures in the poor and backward region of Mithilanchal situated in the border area facing Nepal.

It covers a long chunk of population of the countries, viz. India and Nepal. The college was established as an under graduate college in 1960. It started imparting teaching in Arts & Commerce faculties up to pass course level, In 1964 Hons. Level courses in both the faculties were started from 1971. The college is spread over an area of 15.6 acres of land and is situated by the side of NH-105. The college is recognized by the UGC under 2(F) since 1977. The college provides quality education.
